**NAMPA AT A GLANCE**

Incorporated in 1886, Nampa is located in what used to be miles of sagebrush, and was built with the promise of irrigation. Homes, schools and businesses are now surrounded by green lawns, rich agricultural fields, and an abundance of recreational and civic opportunities for adults and youth alike. It is the second largest city in Idaho, with a population of 81,557, with almost half the population under 30 years old.

“Nampa is a unique community in many ways,” said Mayor Tom Dale. “It offers its residents a rich diversity of educational, recreational and entertainment opportunities through world-class facilities like the Idaho Center and the Idaho Horse Park, the Nampa Recreation Center, the Nampa Civic Center, College of Western Idaho, and Northwest Nazarene University.”

“But what really makes this a great place to live are its people,” said Dale. “Nampa’s residents truly care for one another, continually stepping up to give whatever is needed to provide facilities for youth, care for those in dire need, and help for the helpless.”

Nampa was chosen as one of America’s Promise 100 Best Communities for Young People three consecutive years. High School Students can learn about local government first hand and participate in community service projects by joining the Nampa Mayor’s Teen Council. Youth can also participate in the Boys and Girls Club, as well as youth soccer, baseball, and football.

While Nampa is a big city for Idaho, it still has the heart and spirit of a small town, with people coming together when they see a need and getting done what needs to be done. Community members helped build the city’s Centennial Golf Course, the magnificent Recreation Center, the Salvation Army homeless shelter, Boys and Girls Club of Nampa, various parks, schools and churches. The community rallies when schools need to be built, houses painted or leaves picked up.

Through community partnership efforts between individuals, businesses and local government, the city built the Nampa Civic Center, the Nampa Recreation Center and the Idaho Center. At the Nampa Civic Center, residents enjoy an incredible array of concerts, live theater and community events in a beautiful downtown facility. Nampa’s Idaho Center, with its Horse Park and indoor Sports Center is one of the most unique venues in the Northwest. The Idaho Center Venue has held national equine shows with hundreds of horses, while hosting major concerts with thousands of patrons at the same time. The Idaho Center Venue has brought in competitors and patrons from 40 states and four Canadian Provinces for events like the world famous Snake River Stampede rodeo, Arabian Sport Horse Nationals, and U.S. Dressage Federation Regional

Competitions. In March, 2012, the NCAA Indoor Track Finals will be held in the Idaho Center Sports Center. In the midst of major concerts like the Rolling Stones, horse and sporting events, the Idaho Center is still committed to the community, hosting many events including graduation ceremonies for local high schools and Universities.

The City's other amenities include a reservoir known as Lake Lowell where fishing, boating and water skiing abound, as well as the Deer Flat Wildlife Refuge, home to waterfowl, deer and all types of other wildlife. The city has a total of 838 acres of land that make up our 25 parks, trails, and two golf courses, one of which is the third rated golf course in the state. The Bike and Pedestrian Master Plan is currently being updated, with an ultimate goal of creating more bike and pedestrian friendly roads and connecting 134 linear miles of paths and trails throughout the city. About 15 miles south of town, the Snake River winds through a dramatic desert canyon where rocks are painted with petro glyphs dating back 10,000 years. About 30 miles to the north of Nampa are the Boise Mountains with its ski resorts, vast public land, hiking, mountain biking as well as ATV and dirt biking, rock climbing and breathtaking sights. The area offers hunting, fishing and camping.

Nampa boasts a strong 525 member Chamber of Commerce, and strives to encourage local businesses while reaching out to bring new businesses to our community. We have active partnerships with area universities and regional cooperation and marketing through Boise Valley Economic Partnership and the City's own Economic Development Department. The City of Nampa is home to Northwest Nazarene University and the College of Western Idaho which together provide a wide variety of higher degrees and professional-technical education. Nampa is also home to the Boise State TECenter facility supporting entrepreneurs and business innovation.

Nampa is truly a home for its residents, a place where people enjoy raising a family, playing, working and retiring.

**Lead Based Paint Safety**

Facts about Lead Based Paint  
 1-800-424-LEAD (5323)  
[www.epa.gov/lead](http://www.epa.gov/lead)

Many homes and apartments built before 1978 contain lead-based paint. Lead from paint, chips and dust can pose serious health hazards, especially to children under age six and pregnant women. Health effects to children can include behavioral and learning problems, hyperactivity, ADD, slowed growth, hearing problems, headaches, brain damage and reduced IQ. Consult your doctor for advice on testing your children. A simple, inexpensive, blood test can detect high levels of lead. In Idaho, all children who have Medicaid can receive a free blood test. For more information call The National Lead Information Center at 1-800-424-LEAD (5323).

### **Idaho Landlord/Tenant Guidelines**

As a courtesy, the City of Nampa has posted on the website two guides to assist landlords and tenants of residential property in understanding their rights and responsibilities. One published in 2003 by the office of the Attorney General and a second one provided by Idaho Legal Aid revised in 2007. You should seek the advice of an attorney if you have questions regarding the legality or enforceability of a term of a rental agreement or if you, as a landlord or a tenant, are served with legal papers regarding your landlord-tenant relationship. You can obtain the name and phone number of an attorney by contacting the Idaho Lawyer Referral Service at 334-4500 or PO Box 895, Boise, Idaho 83701, or for more information, contact:

### **Neighborhood Stabilization Program**

Want to become a homeowner? The NSP program was established for the purpose of stabilizing communities that have suffered from foreclosures and abandoned homes. The goal of the program is to resell these homes to eligible buyers to become occupied and maintained, contributing to our community. You do not need to be a first time homebuyer. Home must be primary residence for the purchaser. Down payment assistance is offered and required. Contact:
